Many of today's young adults believe that Astrology is the key to a person's spirit. So, in this year's TOLO we have included the graduating members of the class of '72's birthdays and astrological sunsigns. Most of the quotations that follow this information were made by famous people who shared the same sunsign as that senior.

As this most recent group of seniors leave TOLT's hallways we would like to remind them of a piece of poetry that was recently made popular, that may help them in future years:

A large, stylized illustration of a scroll with a quill pen and an inkwell. The scroll is unrolled, showing text. A quill pen is positioned vertically on the left side of the scroll, and an inkwell is at the bottom left. The scroll is tied with a ribbon at the top left.

DESIDERATA

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is as perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imagining. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding the way it should.

Therefore be at peace with GOD, whatever you conceive HIM to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

CHEERLEADERS

Pep week is just one of the fun things that our cheerleading squad sponsored this year. During this week they featured a kiss a pig contest, everyone loved it 'cuz Terry Clark ended up kissing Marshall Pruitt.

This year's cheerleading squad was exceptionally good, and they practiced hard to get that way. They helped a lot to promote school spirit by being happy whether we won or lost.

CROSS COUNTRY

Cross-Country running returned to TOLT this year after a year's absence. Friendly competition between members of the small but determined group helped each member to perform at his best. This competitive spirit paid off at league meets, where TOLT's showing improved consistently during the season. John Cornthwaite, who repeatedly placed first at meets, was an important factor in the team's success.

Back Row- A. McGahuey, L. Hall, COACH Miss Byram, M. Giusti, C. Waiton, K. Tourangeau. Front Row- S. Wilhelm, E. Davis, N. Price.

TENNIS

Coach Byram

E. Davis, A. McGahuey, N. Price, C. Waiton and S. Wilhelm all made it to the finals in the tournament. Due to lack of communication the tournament was held without our team.

It was quite breezy during practice.

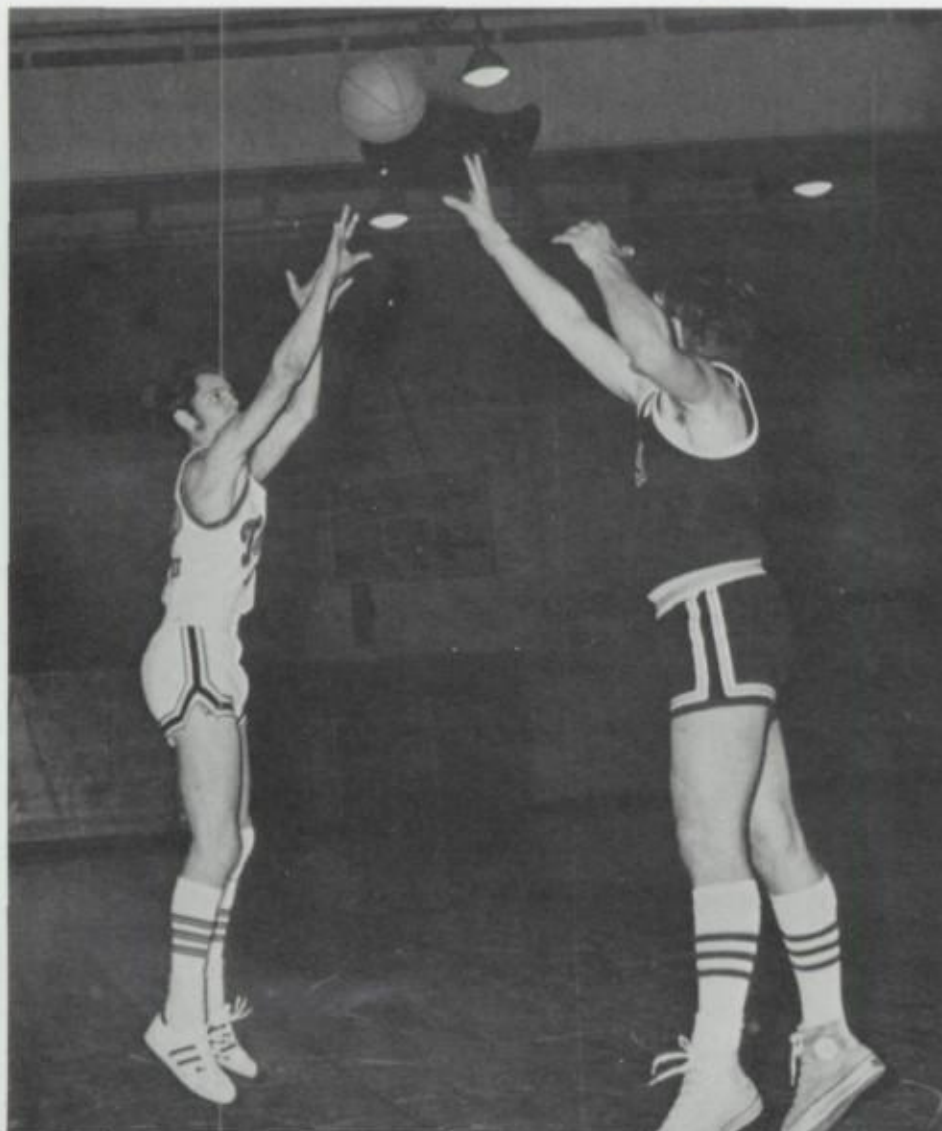

"Your Guardian Angels are watching over you."

With the fine assistance of Coach Albrecht and Coach Jordan, the basketball team played strong throughout the season. The Spirit put forth for every game helped to promote more Spirit in the fans. Although at the close of this year's season, Tolt will be losing alot of its team due to graduation it will still come back with alot of fighting SPIRIT!

Sock it to 'em, Randy.

"Shoot Steve Shoot."

"Duh, where's the ball?"

J.V. BASKETBALL

Left to Right- B. Herman, B. Carlyle, K. Michaud, J. Cornthwaite, D. Martin, J. Harvold, C. Loutsis, B. Losleben, R. Butler, P. Bargas, COACH JORDAN.

BOYS' TRACK

Mr. Burba is back again with a good group of boys. The track team has added many new members but has also lost a few of last year's fine Seniors. The team has had many hard practices and showed us their skill on the track. Although there was a lot of mud to contend with our boys made a good showing.

This year the football team had a very successful season. Great efforts by the team gave them a chance for the League Championship, but they had to settle for a sure second place.

The coaches did a magnificent job in shaping up the team, with what personnel they had. The coaches are also given credit for the fine attitude of the players on and off the field.

The Spirit of the DEMONS was also great!

A.S.B. OFFICERS

The A.S.B. President has the complicated job of organizing the student council into a working type of government. Sometimes this can be a job because the members aren't always quiet and cooperative.

The Vice-President usually has the easiest job of all. She has to step in as acting president when the president is absent (which isn't very often). If she's lucky she might get the complicated job as fund raising chairman.

The Secretary has a tiring job that takes up a lot of your spare time that could easily be used elsewhere. She has to be present at all the student council meetings and have copies of all the minutes for all the council members.

The Treasurer has the painstaking job of adding up all the A.S.B. accounts. This too can take up a lot of a persons spare time. This year is the first year Tolt has ever had a boy for A.S.B. treasurer.

Back Row Left to Right; S. Raley, R. Butler, C. Baldwin, M. Sato, T. Losleben, M. Giusti, A. McGahuey, Next Row: M. Coy, S. DeBoer, C. Waiton, N. Ereth, M. Freeman, C. Haug, D. Raether, D. Wandler, D. Dalton, Front Row; S. Emler, R. Oldring, S. Sonnenschein, R. Waiton.

STUDENT COUNCIL

"Cus" part of the council?

Student Council What purpose does it serve? According to many people it serves no other purpose other than to receive pins at the end of the year. But in all actuality it is formed each year to help solve the student body's problems. This year the problems it has tried to solve have ranged from smoking in the bathrooms to "Keggers" during school hours. Many of the problems have been too hard to solve by student council alone but they have tried anyway. The effort put out this year by each member has been overwhelming. The results this year have been small but they helped to make Tolt a better high school.

HONOR SOCIETY

OFFICERS: from left to right: Treas., Mandy Giusti, Sec., Linda Hall, Adv., Mr. Gibbs, Vice-Pres., Terri Losleben, Pres., Richard Waiton

This was a memorable as well as an active year for Tolt High Honor Society.

Within weeks after the start of school, members were launching fund raising activities. Brainstorming sessions produced dozens of ideas for the first semester field trip. It was decided that the bus would make several stops, including the Science Center, Pike Place Market, and University of Washington campus.

Members trekked to Long Beach for the second semester field trip, which had been postponed last year and eagerly awaited since then.

LETTERETTES

"We letter in every sport."

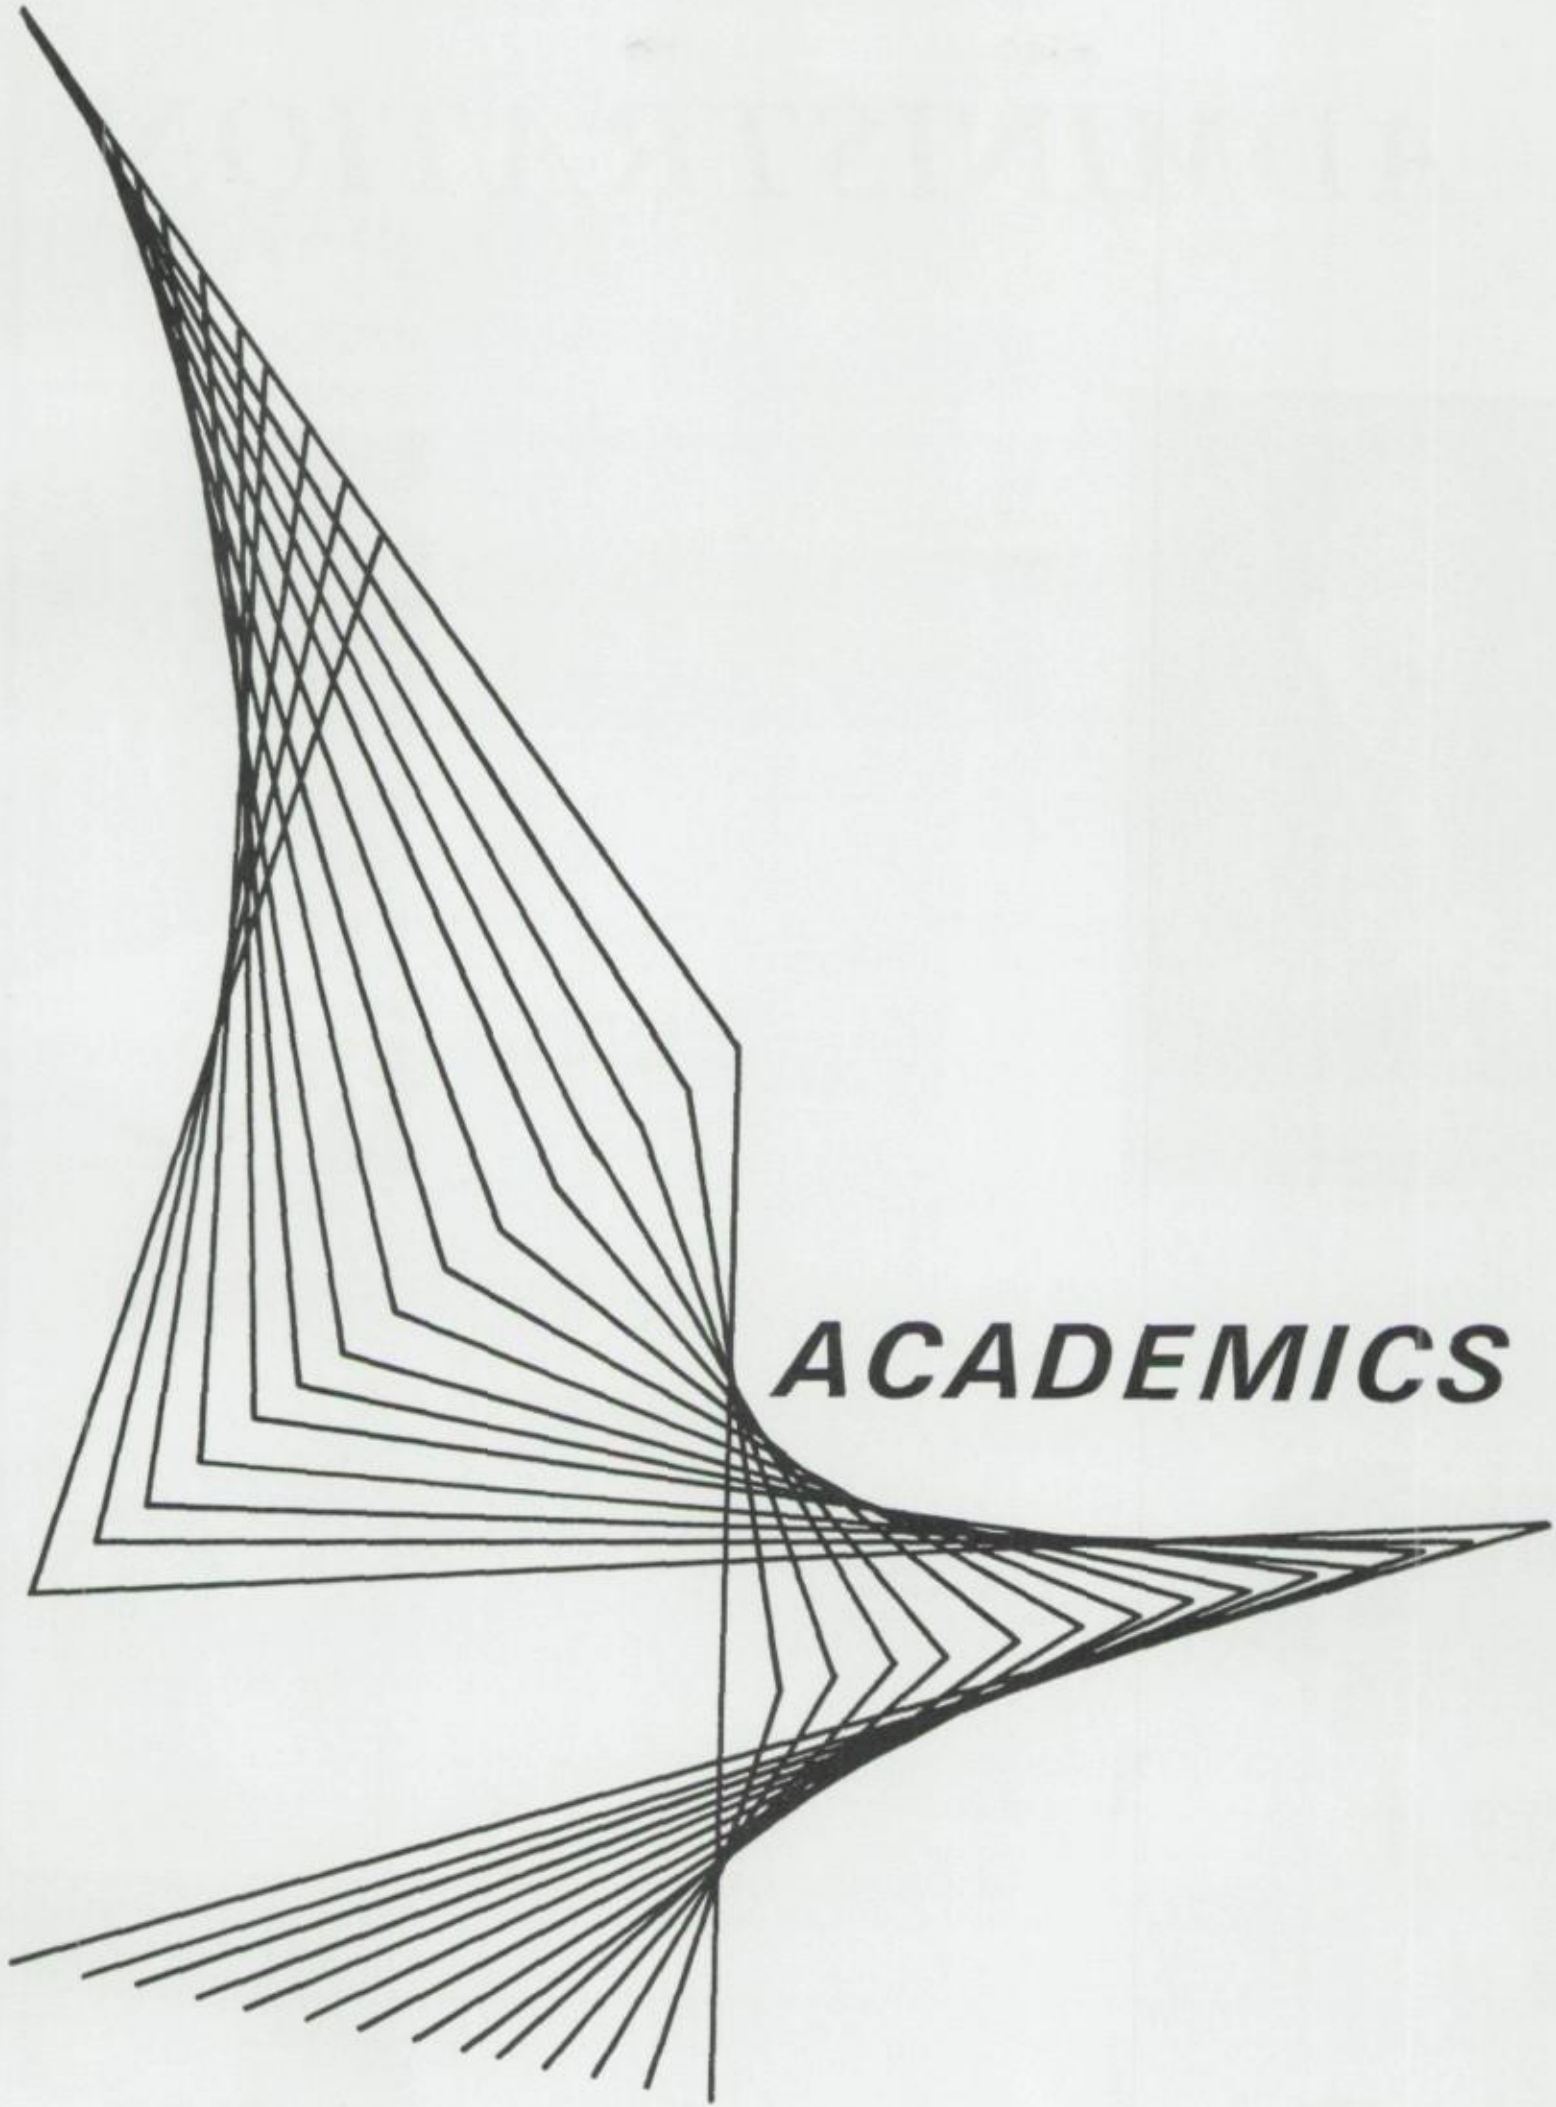

The girls this year at Tolt decided that the women's liberation movement should extend into our school so they decided to form a new club honoring the girls that have lettered in a sport in the past years. After a somewhat exhausting debate the girls came up with a club called "Letterettes." They sold doughnuts and Demon Tee-shirts to help build up their club treasury.

JR. HIGH GIRLS' TRACK

During the past couple of years that Tolt has had a Junior High School, the girls' track team has not been one to dwell on. This year the girls decided that this one was going to be remembered as far as turnout was concerned. So with the help of Coach Byram and the fourteen team members they had a successful season.

JR. HIGH FOOTBALL

Coach Midge

The football team this year put out a lot of effort to make its Junior High well known for its winning team. They worked hard to promote school spirit through out their practices. Their coaches worked hard to keep them fit for every game. They played hard against the Varsity football team but didn't loose faith once when they weren't always on the winning team.

JR. HIGH BASKETBALL

The Junior High Basketball team was divided into two separate groups this year. There was a Varsity team which was coached by Mr. Thompson and a Junior Varsity team coached by Mr. Beeman.

They met up with quite a lot of stiff competition but managed to come through it all unruffled and with lots of team spirit.

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures; he leadeth me
beside the still waters.
He restoreth my soul; he leadeth me in the paths of right-
eousness for his name's sake.
Yea, though I walk through the valley of the shadow of death,
I will fear no evil; for thou art with me; thy rod and thy staff
they comfort me.
Thou preparest a table before me in the presence of mine enemies:
thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life;
and I will dwell in the house of the Lord forever.

Some People Think Our Business Is Trees

That's only half the story

A dynamic leader in the forest products industry, Weyerhaeuser has grown from a regional lumber producer into an international organization with plants in 27 states and 12 foreign countries. At the same time, Weyerhaeuser has refined its methods of scientific forest management to insure a perpetual harvest of the highest quality raw materials for its wide range of products. Today Weyerhaeuser continues to make lumber and plywood, but it also makes paper, plastics and chemicals which are as new as tomorrow. Whatever your plans or interests are you should consider Weyerhaeuser—the growing company in a growing industry.
